

Welcome to Alice Wilson's Celebration of Life

We are so happy that you could join us today and hope that you'll enjoy participating in some of mom's favourite activities. Here's a few tips to enjoy your afternoon celebrating Alice:

2:00 Toast: Brenda will give a short speech about Alice at 2:00 then we'll have a toast. We're going to live stream this on YouTube so please be patient if we have any technical troubles.

Guest Book: Gardenias were some of Alice's favourite flowers. Instead of having a guest book, we created an assortment of gardenia 'cards' for everyone to sign. Please pick out a gardenia card, write your name on the inside of the card, add your address on the back of the card then pin your gardenia card onto the wreath. We'll have a bowl in which you can place sympathy cards for the family.

Beverages: Simply let the server know what beverage you'd like to drink. We'll be having a toast at 2:00 so make sure you have a glass in hand at that time. Some of Mom's favourite beverages were beer (Blue light), wine and coffee. And she used to make us great milk shakes.

Snacks: We have an assortment of finger foods pre-ordered and we'll be replenishing the food trays as the snacks are consumed. Please let us know if you have any special dietary needs; we'll be happy to accommodate. Diane has also baked an assortment of sweet treats using mom's favourite recipes. So, please enjoy both some savoury snacks and those sweet treats.

Pool and Ping Pong: We have some pool and ping pong tables reserved. We can easily book some more when the ones we have reserved are all being used.

Virtual Golf: We have a golf simulator booked 2:30 - 3:30 and have a right-hand and left-hand set of clubs available. Please head over at that time to play a hole of golf with Alice virtually.

Wordsearch: We hope that you enjoy the wordsearch we created. It contains many, but not all, of the words which come to mind when we think of Alice. Which words come to your mind?

Jenga: Alice was a Jenga master! Enjoy trying your hand at removing the blocks from the lower levels and adding them to the top of the tower. Will you have as steady of a hand as Alice?

Playing Cards: Grab a few friends and have a quick game of euchre, crazy eights or play your favourite card game. Alice was an avid bridge player, enjoyed endless games of euchre with her children and played a lot of solitaire in her later years. Will you be as lucky at solitaire as she always seemed to be?

Colouring: Alice enjoyed colouring and loved to share time with family and friends colouring. Some of her unfinished colouring books and coloured pencils are on hand for you to enjoy.

Jigsaw Puzzles: Alice was a big fan of jigsaw puzzles, particularly those featuring landscapes and flowers. We hope you'll help us finish the jigsaw puzzles that we have here today.
